DEAR PAM -
I HOPE I NEVER
GET YOU IN ANOTHER
CLASS BECAUSE IF I
DO, I'LL PROBABLY GR
AS WONDERFUL A
GRADE AS I'M GOING
TO GET IN SPANISH.
BUT REALLY I
ENJOYED BEING
WITH YOU. HAVE
A GOOD SUMMER

OH -
I DID NOT SEE
TO MUCH OF
YOU THIS YEAR
AND, NO MATTER
WHAT HAS BEEN
SAID, I REALLY
THINK YOU ARE
EXTRORDINARILY NICE.
BEST OF LUCK
LOVE
BOB WESTON

I got up early one morning
And rushed right into the day;
I had so much to accomplish
That I didn't take time to pray.

Problems just tumbling about me,
And heavier came each task;

"Why doesn't God help me?" I wondered
He answered: "You didn't ask."

I wanted to see joy and beauty—
But the day toiled on, gray and bleak;
I wondered why God didn't show me,
He said: "But you didn't seek."

I tried to come into God's presence
I used all my keys at the lock
God gently and lovingly chided:
"My child, you didn't knock."

I wake up early this morning
And paused before entering the day;
I had so much to accomplish
That I had to take time to pray.

Pam,
Take my advice
and be a good
girl towards Dorsey,
tell me when you get
married and I'll
be there
to join
wedding.

Gayle Dabbs

Pam,
We really didn't
get to know you
so have fun
this summer.

President

This yearbook, for the rest of your life, will be a reminder of your high school days. If you are like me, the disappointments and heartaches will lose their immediate sting, and the warmth of the good times will remain.

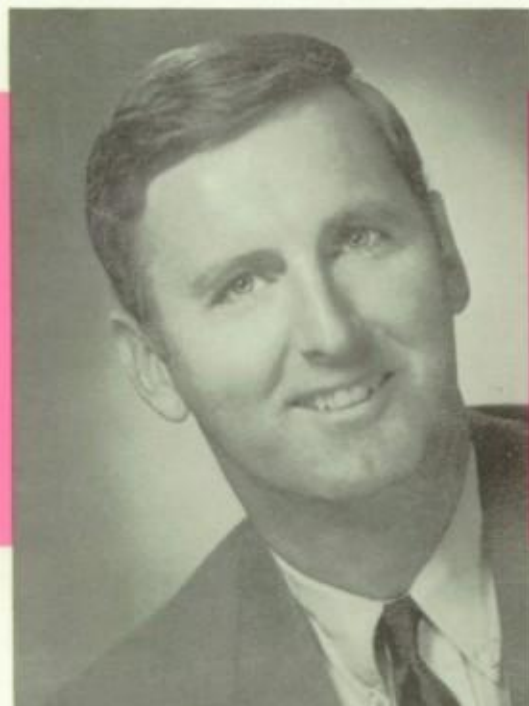

When you look back, I hope none of you will regret that you didn't partake of high school to its fullest extent, for you only pass this way once. Therefore, while in high school, be a one-hundred percent high school student, lest you look back in vain on what might have been.

Mr. Kendall Stanger

Principal's Message

Your 1970-71 Valhalla has recorded our moments of happiness as well as those of disappointment. Your high standards and accomplishment in all areas in the past year have been inspirational to students and adults alike. We, the school, will long reflect the image of friendliness you have established this past year for us.

My heartiest congratulations to a hard-working Valhalla Staff for recording our history in such an excellent manner.

Principals

Vice Principal's Message

The humanistic achievements of the student body during the past year can only strengthen our society in the future. The class of 1971 has demonstrated a desire, through their activities, to establish a society where individuals will be able to pursue their dreams to fulfillment. Classes that follow will always be indebted to their diligence and persistence in obtaining this goal. Congratulations Vikings.

INDUSTRIAL ARTS

Industrial Arts at Lynbrook have been designed to help prepare students to meet the requirements of our technological society. In our program students learn through participation and use of those machines and tools they will be using in the future. We try to provide each student with a chance to develop the knowledge and skills basic to many careers.

ART

We are not just trying to teach people the techniques of painting, drawing, weaving or batik. We want the students to see and interpret what is around them. Hopefully, they will go beyond this technological society and find a basic drive to create. We want people to look, to see, to experience, and to do . . .

BUSINESS

The Business Department at Lynbrook offers skills and disciplines for all students. Special emphasis has been placed on teaching employable skills, such as typing and shorthand. The Work Experience Program has enabled students to work during school hours and, at the same time, receive credits for hours spent on the job.

HOME ECONOMICS

The homemaking students of Lynbrook have enjoyed developing many different skills this year. Cooking, economy, sewing and child care are just a few areas these students have covered. Many senior boys have taken Homemaking this year and have found it to be both useful and enjoyable.

SOCIAL STUDIES

In order to provide students with a greater responsibility for their own education, the Social Studies Department has increased the opportunities for independent study. Independent study, combined with the new Social Studies program, requires the student to meet the basic objectives of the course. At the same time, it affords him the opportunity to investigate those social and political issues of interest to him.

FOREIGN LANGUAGE

This year has been quite a productive one for the Foreign Language Department. The individualizing of instruction has given each student a chance to work at his own pace and to study in the areas which he feels he is most deficient. The new research center enables a student to leave the classroom and listen to taped material without disturbance. Objectives, clearly stated in each unit, make known to the students exactly what is expected of them.

SCIENCE

More so than ever in the past, the primary thrust of the Science Department has been to teach young people how to teach themselves. A fully individualized curriculum has been implemented in General Science for the first time this year. Biology, Physiology, Oceanography and Physics provide opportunities for students to choose what they wish to study in depth. It has been a year of change and realignment of priorities.

In order to keep step with the changing and updated curriculum at Lynbrook, the library has expanded its facilities and improved its services. BOYS'

The Boys' Physical Education Department has the philosophy of "education through the physical." Our Junior-Senior elective program has been very successful for the past four years. We feel that our strong physical education program has helped Lynbrook become a major athletic power. With our 26 different athletic teams, we believe that any boy should be able to find one sport that suits him.

PHYSICAL EDUCATION

GIRLS'

The Girls' P.E. Department has seen a number of excellent changes this year. The Sophomores are now able to choose the sports in which they wish to participate, along with the Juniors and Seniors. Curriculum additions, such as Yoga and Self-Defense, have given the girls a wider, more interesting selection of sports from which to choose.

WITH A LITTLE HELP FROM OUR FRIENDS

Perhaps we, as a lot of yearbooks do, could write a whole lot of bland, over-used trivia about how valuable and hardworking our school custodial and cafeteria staffs are, but we already know how much we need them, so why bother. Then we could ask around for their names to fill the empty space below their pictures. Well, that isn't needed, not in this school or this book, because they're more than just names. Our school staffs, including the teachers, are people — people with cares and feelings. They laugh and throw towels and get mad and occasionally tell a bad joke. They can smile through weeds and counsel us while giving change. Maybe it's easier to just say . . . "THANKS".

Football—merely a game?

It is...

hard work;

five days of preparation
for each encounter.

It is...

yards of tape and elastic bandages
giving support to injured ankles, knees and elbows—
a musty smelling locker room—
the heaviness of a perspiration soaked undershirt.

It is...

the agony of playing with an injury,
or,

much worse,
it is the agony of defeat.

It is...

the body wracking pain of a torn cartilage
or a broken bone.

It is...

the hopelessness of a big linebacker
trying to catch a fleet flanker—
the beauty of a great broken field run—
the violence of a trap block.

It is...

the precision of a long pass.

It is...

the brotherhood shared by teammates,
and the respect shared by opponents.

It is...

the taste of blood running from a split lip
or a broken nose.

It is...

the tenseness and nervousness of the pre-game wait
in the locker room.

It is the thrill of releasing that tension
by charging out onto the field.

It is...

the popping of pad against pad,
and the groaning of man against man.

It is...

the satisfaction of beating your opponent,
not by simply outscoring him,
but by outplaying him.

Football is desire, discipline, drive—
it is indeed much more than a game.

Vikes Upset Fremont in 13-12 Tilt

Lynbrook entered the 1970 season under a new divisional set up which separated the old S.C.V.A.L. into two conferences. The Vikings wound up the league season with a 1-3 won-lost record. The team's overall record was a disappointing 1-7-1.

The highlight of the season came when Lynbrook notched it's first varsity victory over Fremont in a close 13-12 tilt. There was evidence of great team efforts in the 20-20 Homecoming tie with Buchser as well as the season ending 21-19 loss to playoff bound Homestead.

Despite the poor won-lost record Coach Wagner felt the varsity had come a long way from the season opening defeat at the hands of Peterson. Consistent performances on offense were turned in by end Jay Miller (team MVP and All-League), Rich Gilson (All-League), and Matt Hurley (team's Most Inspirational). Defensive stalwarts were All-Leaguers Ron Milazzo and George Sackinger.

J.V.'s Take Title

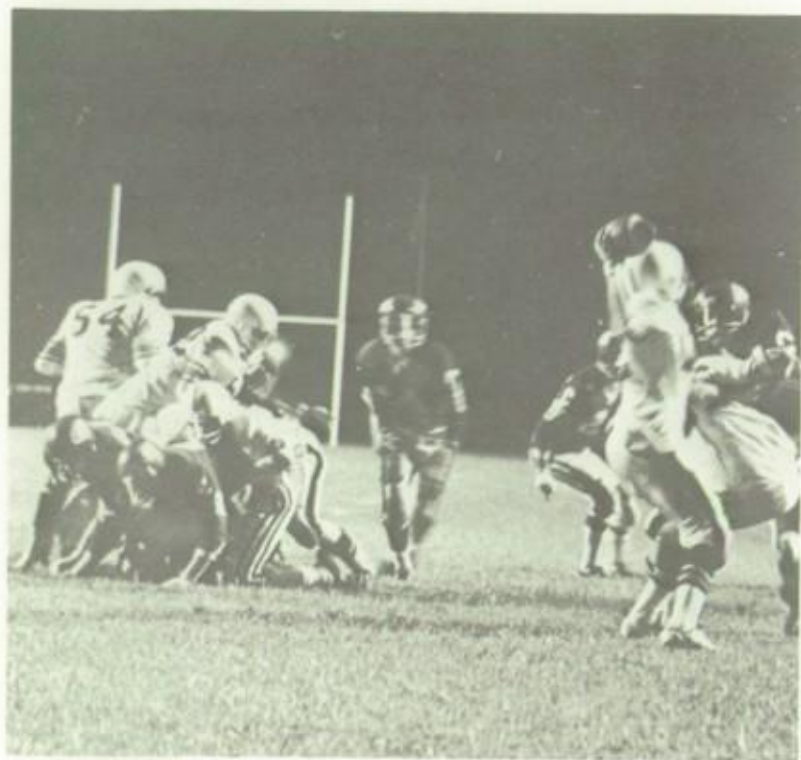

There were many anxious moments this year for J.V. coach Jerry Hitchman but when the season ended his Vikings were still on top of the league.

Posting an outstanding 8-1 won-lost record Lynbrook swept to the title behind the running of Mr. Everything Steve Dudley and the golden arm of Craig "Junk" Juntunen. Together they accounted for over two thousand total yards.

Vikes Finish Strong

Lynbrook's varsity water polo team finished an exciting season with a league record of 7-3 and a season record of 9-3. Lynbrook lost both of their opening games in over-time periods. After this disappointing start, we won seven straight games, led by Senior Rick Rider. The high point was a 9 to 8 win over the San Jose State frosh.

All in all Lynbrook placed fourth in the league, placing Rick Rider on the first team All-League. Second team selections were Jim Lettire, Bob Hogin, Eric Gibson and Ken Sinclair.

Tim Kenworthy (r) was the leagues second leading scorer with 220 points.

We started great and ended super great. Our season record was 17-7, the league record was 8-4 for the fourth place in the S.C.V.A.L. Other high-lights of the season were the Consolation title in the Awalt Christmas tournament, and probably the greatest win of my life, the 30-29 win against Fremont with a last minute shot by Tim Kenworthy. Fremont had a sin streak of 27 when they fell to our very disciplined Lynbrook team. It was just a super effort by a great team and a great, great win. The season was a success and I would hand it to Tim Kenworthy who was second leading scorer by two points and selected to the first team all-league. On the whole the year was a fantastic group effort and we couldn't have pulled it off without the entire team.

JUNIOR VARSITY

Six wins and six losses doesn't exactly describe the 1971 J.V basketball season. A lot of tough breaks put a respectable place in the league out of reach. These were some bright spots in the year as the team had crushing wins over Buchser, Monta Vista and Wilcox. Rob Guthrie broke several team records and was selected second team all-league. The season was not indicative of this hard working team.

Mark Carroll aides the Lynbrook defense with a strong block.

Debbas forces a shot as Carroll and Christensen wait for a rebound...there was none.

Mark Carroll and Greg Bird made many good defensive plays for the team.

Frosh

The Freshman Basketball team enjoyed a winning season this year with a record of six wins and five losses. Highlights of the season were 68-45 and 48-27 thrashings of Wilcox and Cupertino, and a 39-38 victory over a very strong Bucsher team. John Schmidt was the team's leading scorer, averaging over thirteen points per game. In addition, the team was led by the strong rebounding of Mark Sole and John Bell, and the hustling of Gregg Rodak, Steve Coulter and Dave Reed. Many of the Frosh players can be counted on to make strong contributions to Viking basketball in the future.

Cee Champions

The Cee's record speaks for itself—14-0—our one goal was to bring to Lynbrook its first basketball championship. They were a very coachable, great bunch of guys to work with. Teamwork was the key to their success. Tim DeManty was the league's Most Valuable Player and Bob Vivian was named to the league's first team all-league. Mike Burnett was named to the second team. They were real champions in every sense.

Coach Dossa

Dee

The Dee basketball team, at left, placed sixth in the league this year with a season's record of six wins and five losses. Although they made a few costly mistakes in some of their key games and were inexperienced, they were considered a good hustling club led by Rob Sessler, Bill McCarthy and Keith Fry. Leading rebounders were John Maggiore and Keith Fry and Rob Sessler. Ron Calbreath and Keith Fry led the team in well-balanced scoring. For such a young team the boys did rather well.

Lynbrook's soccer team survived the transition from a soccer club to a team with a league schedule, but just barely. The team sported a 1-8-1 record in their first full season. Coach Don Lotz said that the team's record was not indicative of their fine team efforts.

Led by Most Valuable Player Dennis Rainer and stalwart Ken Hewitt, the team showed steady improvement due in part to their "never say die attitude."

Varsity Sluggers Smack SCVAL

The slugging Viking nine had a season to be proud of. Midway through March, Lynbrook's Varsity baseball team was riding in first place in the SCVAL Division.

Coach Mansfield's Vikes continued their torrid pace all year. The Varsity was loaded with talent. The infield was headed by swift footed Steve Elliot and a great fielder Jay Miller. Tim Kenworthy, (J.V.M.V.P.), and Dennis Crumb rounded out the infield at first and second bases. The outfield had a wealth of talent with John Martinson, Dave Newell, Ken Colbaugh, Bruce Tomassello, Al Yeaman, and Dave Schmidt.

The pitching corps of Lynbrook's team boasted right handers Vic Palmer, Ken Marr, Tim Kenworthy, and relief specialist Dave Timmoney.

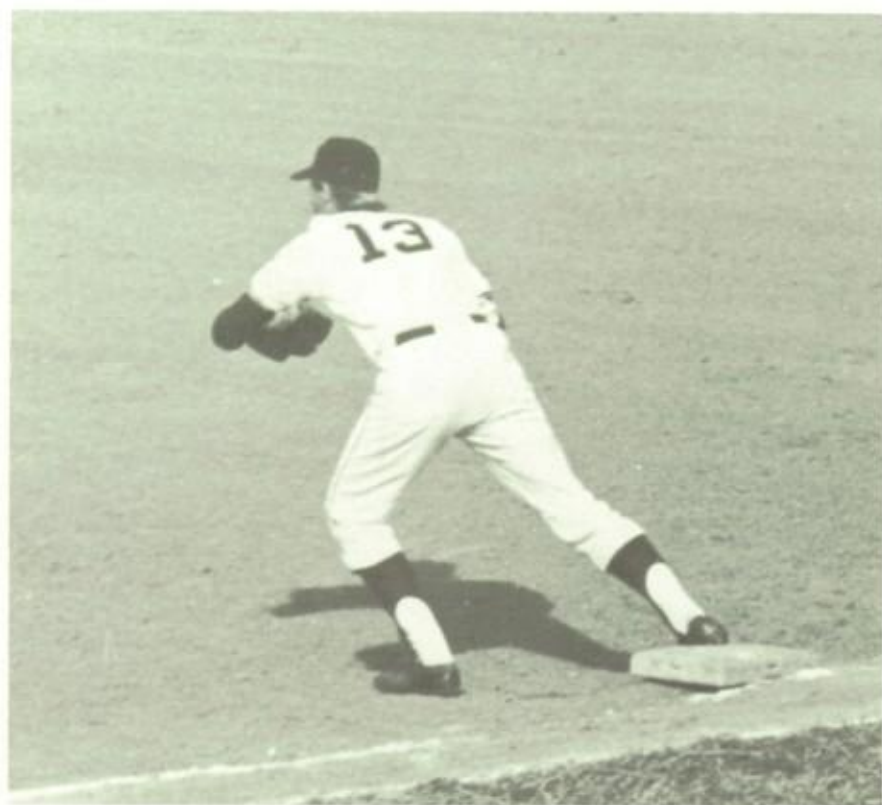

Third baseman Steve Elliott sends one to first for an easy out.

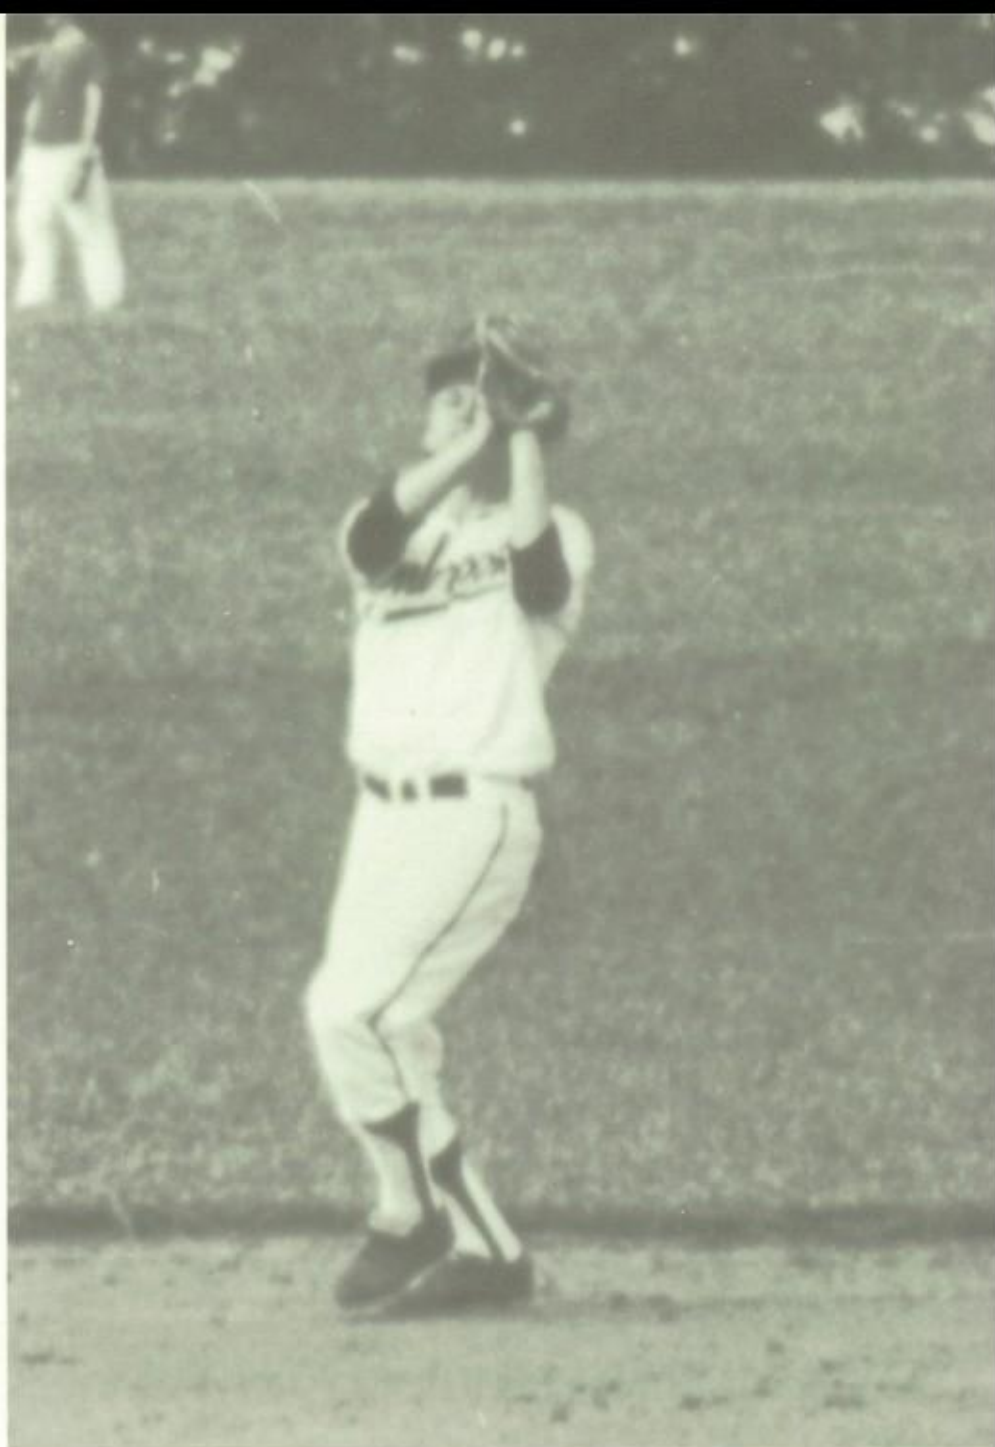

Dave Newell steps into one for a single.

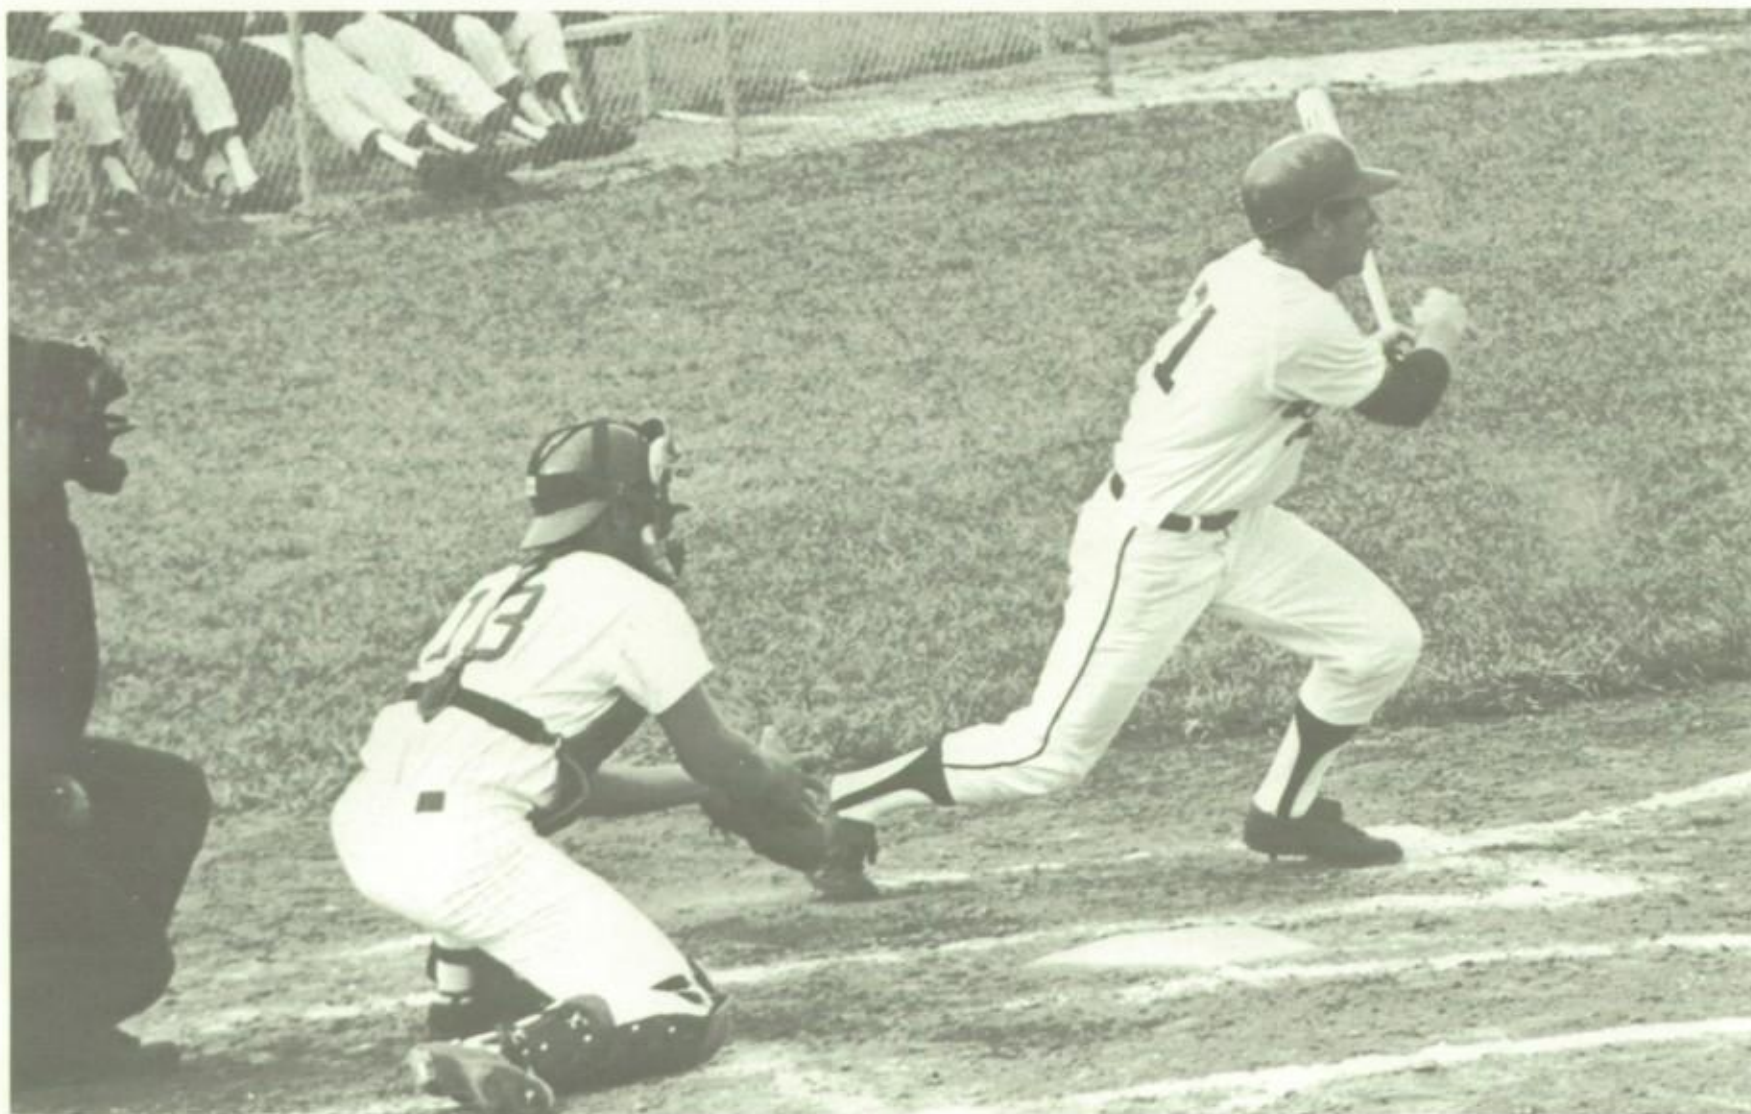

At left: Winning pitcher Vic Palmer winds up.

Tim Kenworthy makes a fine catch for an out.

The sophomore laden J.V. had a fine season. Paced by outfielder Steve Dudley and shortstop Steve Corner, the Junior Vikes entered their season with little experience but with a lot of determination.

The freshmen this year are, as every year, unpredictable, though a main standout is catcher John Schmidt. Coach Hitchman had his work cut out for him as usual but he always managed to come through.

Varsity Track

Coach Jeff Fishback and Verne Thorneburg were rewarded by a fine season this year. Hit hard by the last year's graduation of several Varsity runners, the Lynbrook track team relied mostly on underclassmen, with a few seniors.

Senior stalwarts included Ron Millazzo in the shot and discuss, Paul Skinner in the mile and Gus Albers in the pole vault.

Lynbrook's strength was in the underclasses. Sophomores Jeff Phillips, Tim Stewart in the mile and Scott Newell in the hurdles led the class of '73. The class of '72 was represented by pole vaulters Mike Krug and Glen Vittucci, high jumper Russ Carlson, 880 men Mark Carrol and Jim Swantko and sprinter Bob Okuda. Things went well for this year, and will in the coming years.

Returning Ron Millazzo was a great asset to the team both in di and shotput.

Lynbrook Aqualads: one of the counties best

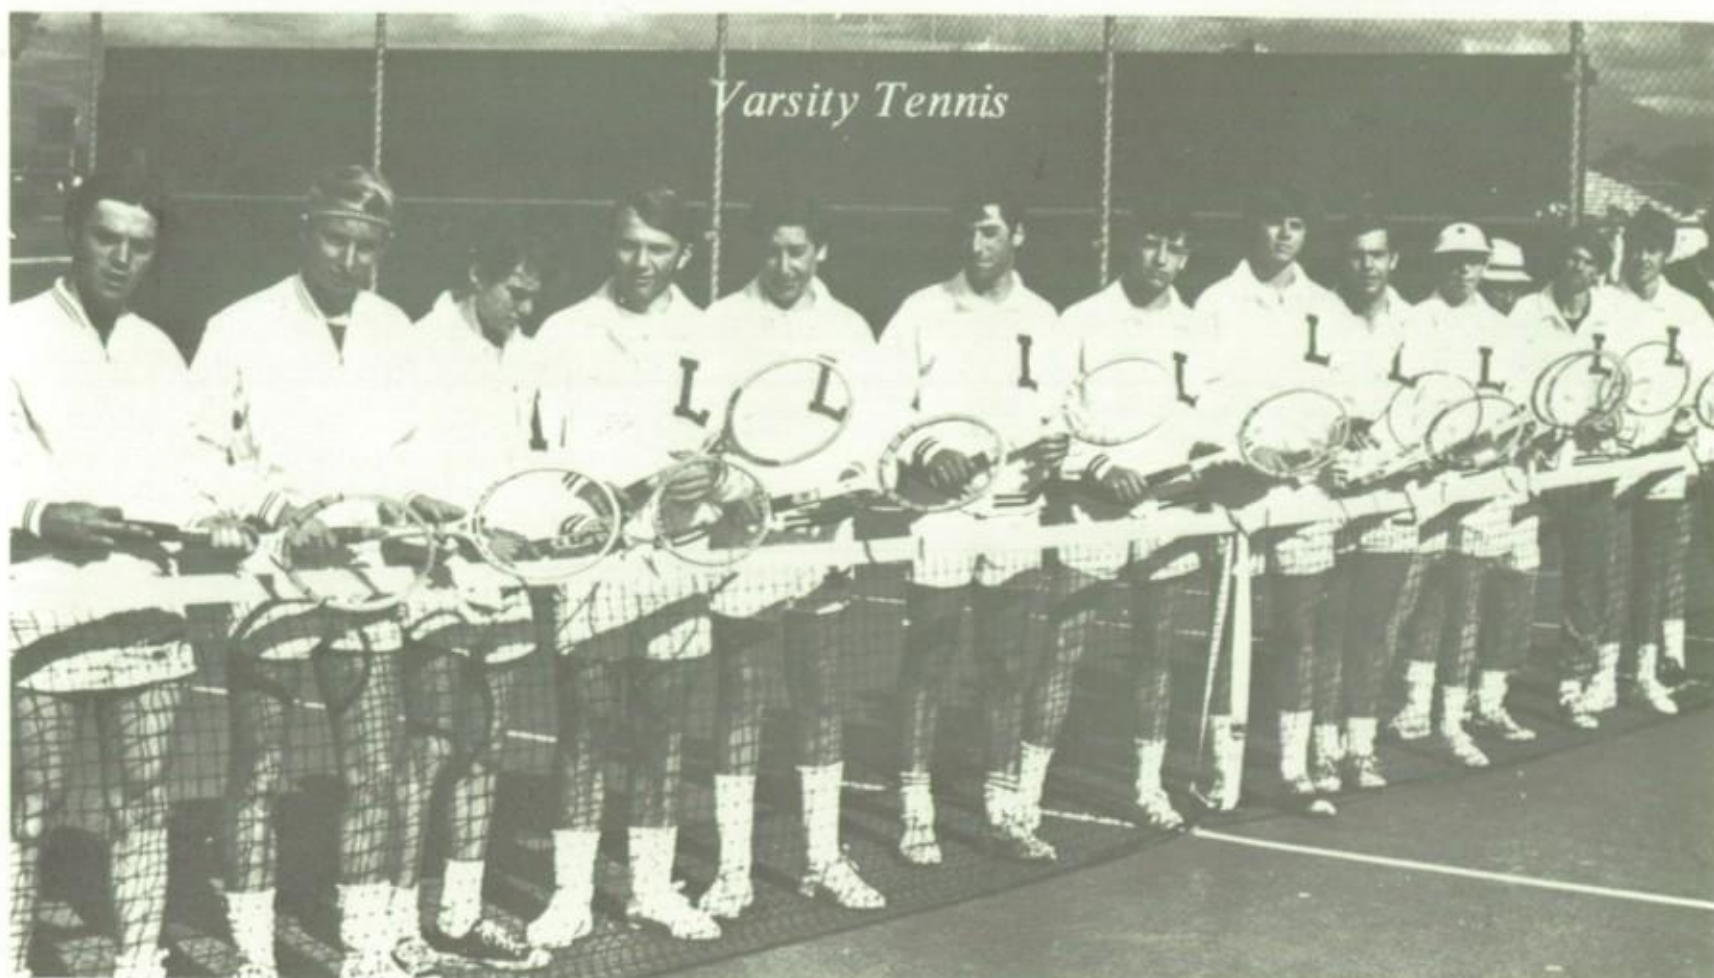

Coach Blick's swimming team really got it on this year. Several returning lettermen gave Lynbrook a good chance of taking the SCVAL title.

Outstanding swimmers included Joe Goss in the 200 individual medley, Rick Rider in the 100 freestyle, and the 100 breast stroke, Scott Jones in the 100 back stroke. The 200 medley relay included Scott Jones, Steve Halsey, Mike Vanderhurst, and Jeff Wyant, a strong event for the Vikings. Ted Carrier highlighted Lynbrook's diving team.

Racketeers Show Excellent Form

The strength of Lynbrook's tennis team lies in the strength of their singles game. They have an unusual freshman-senior brothers combination in Jay and Bob Jacobson, who both play singles, and are expected to add spark to the team. This year's team is built around three returning lettermen, seven of last year's JV team and three novice racketeers.

Golf

This year's golf team was right up to par. Led by such tournament caliber golfers as Larry Lavalier, Randy Wilson, Davey Compton and Bob Baskett. The team played an eleven game practice schedule and culminated the season in a 54-hole league tournament. Look out Arnold!

Besides sponsoring the Drill Team, the Modern Dance Show, and the Aquacade Show this year, the Girls Athletic Association compted in seven sports. Lynbrook's G.A.A. became a member of the Girls Athletic League which includes many high schools in Santa Clara County. The girls's P.E. teachers coached the various teams, several of which won league championships.

Our minds wander
backwards in time and
we remember . . .

Pam,

We've been friends for a long time. Really had some good times together. You've been a great friend. There are so many words to express but Jesse's waiting. Have a good summer, I'll see you. Have good luck always.

Love,
Gloria

A quiet moment for Sheridan Whiteside.

Roberta Dick, actress playing actress.

Four performances of the Broadway comedy by Moss Hart and George S. Kaufman, "The Man Who Came to Dinner" were presented last fall. Tom Vestal and Dick White were among many members of the faculty who, for the first time, participated in a school play. Technical director for the play was Jim Walker. Set design was handled by Mary Hildebrand, light and sound by Jim Sokol, and costumes by Nancy Wallof and Carol Dickson.

Silver Bells

It was a hassle finding a date, buying a dress or renting a tux, making reservations, buying the proper flowers, and borrowing dad's car, but the Christmas Ball proved to be an exciting and memorable experience.

"Silver Bells" served as the theme for this year's ball, which was held in Lynbrook's cove. In the center of the floor was a flocked tree decorated with pastel bulbs, snow and boughs covered the window sills and the walls were decorated with silver bells and hanging ornaments.

Highlighting the evening was the crowning of the Christmas Ball Queen, Janet Sclar and her class princesses; Barbara Nygard, Laura Gagne and Debbie Dunn.

Executive Council

I can only look on leaving the presidency with incredible relief. I alternately kick myself for making the mistake of getting elected and berate myself for not caring enough to resign. Other people have been involved with student government only to resign...and it makes no difference one way or the other since the lack of really (I mean really) concerned students do make Lynbrook's government a very, very plastic one. Generally speaking, the wrong people are in student government; they're out for prestige, activity points and a chance to get out of class. The "right" people are smart people who are, admittedly, cynical and see the student at Lynbrook High as he really is: not a hard-hat patriot or a heroin addict but someone who probably would respond to student government if it had a meaning for him. It's kind of a vicious circle; no one wants to become involved because they feel it's a joke, and it remains a joke until people who at least care a little about the students interests enter into it. I think more people are becoming more involved than they were. I can only hope that they don't become disenchanted with the plasticity too soon and give up. (sigh!)

SENIOR HOOTENANNY: KORNSTOCK REVIVAL

Lynbrook's Sixth Annual Hootenanny-
When the sound got in your system
It sent you flying up
If you couldn't dig the messages—it didn't matter
Music by itself felt good
The reality of it?
That vibration that remained in your ear
After the song was finished
And the player no longer plucked his strings.

Faculty KLIV Game

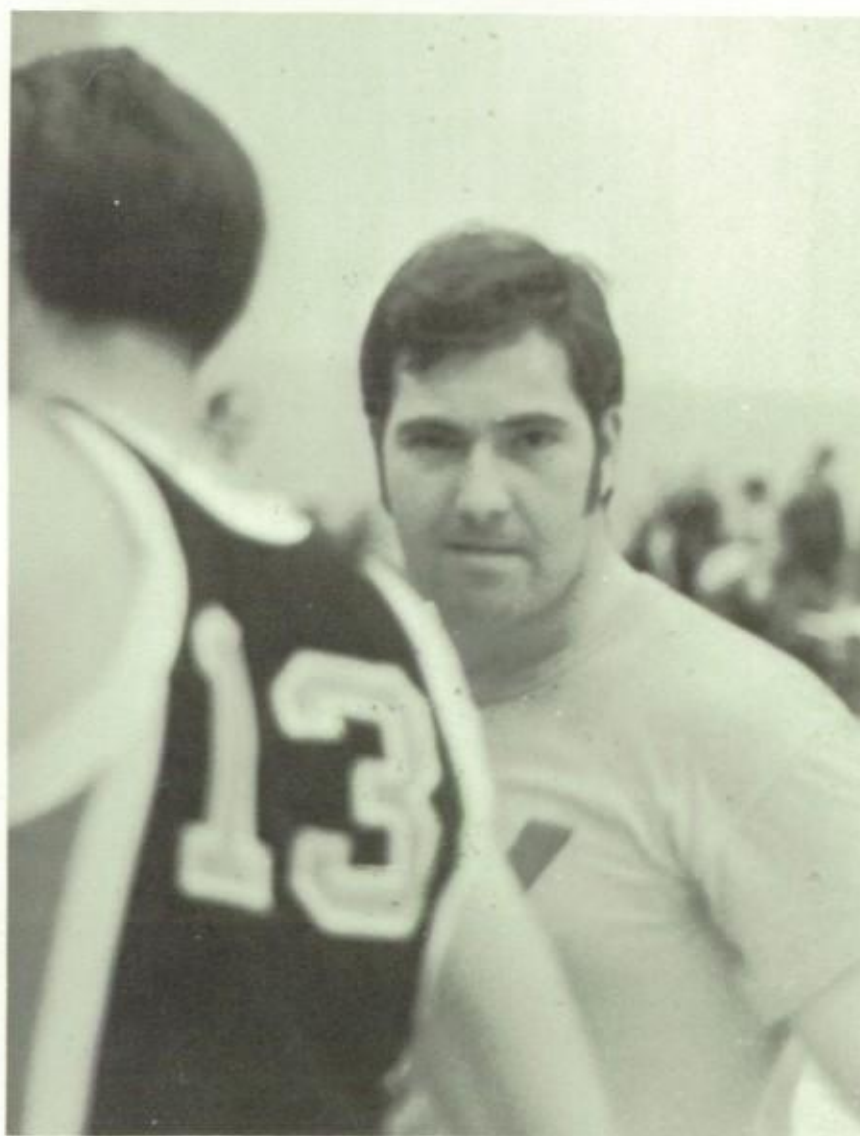

Lynbrook's great team of teachers and coaches went into this year's KLIV game with great expectations because of last year's victory, but their hopes were short-lived. Lynbrook, led by Jim Meyer, Ernie Dossa, and Randy Bliss, started fast, tied KLIV at halftime, 54-54, then faded in the second half. KLIV's superior conditioning, coupled with some erratic officiating, proved to be the deciding factor as KLIV pulled it out, 106-99.

Pops Concert 1971

From John Philip Sousa to Lawrence Welk and right on up to Joe South, Lynbrook's Band and Choir played the "Music of the America's". Punctuated by blackouts and bubbles, the mood of the show ran from the raucus '20's to easy sentimentality, to the heavy beat of the '70's. Led by several of the best musicians in the county, the Band and Choir provided a truly memorable evening.

Bright lights spotlight the choir.

Spring Government 1971

ASB President Don Russell

ASB Vice President Jeep Johnson

This year's spring officers found their greatest obstacle to a working student government was not the administration but the students' lack of interest. Dan Russell, Spring A.S.B. President, noted that "there is a great potential at Lynbrook. It is by far one of the best schools around and there are no real barriers to student government. Yet it is being killed by apathy and a strong underlying resistance to change in the students."

Despite the apathy of students, the Spring Government achieved many goals. For the first time a forum or panel discussion involving members of Lynbrook's administration, Dr. Monahan, and students was held. A constitutional revision enabling communication between class councils and the Legislative Council was made, a Student Bill of Rights was drawn up, T.V. time for A.S.B. alone was established, and a dinner to organize all six high schools in the district to work for the wants of the students was sponsored by Lynbrook officers.

Friendship Exchange

Heidi Roch

When asked to compare American teenagers to German teenagers, Heidi Roch, our exchange student from Germany, replied, "You can't say American teenagers or German teenagers. It's our generation. We are very similar in the way we dress, and the way we feel about music, etc. There are some differences in our way of thinking, because of our different histories."

Heidi compared the system of education in Germany with that in America. The Gymnasium is similar to our high school. A student planning to go on to a University enters the Gymnasium at the age of eleven and finishes in seven years. If a student doesn't plan to go to the University, then they go from elementary school into a trade school. Courses are more concentrated and students go to school six days out of the week.

Besides California, Heidi has seen Texas, Arizona, and New Mexico. She would like to see Michigan, the East Coast, and Canada also.

Heidi loves horse-back riding and making friends. She enjoys American folk music and would like to learn to play the guitar.

When Heidi returns to Germany she wants to study psychology but she also wants to return to the United States to attend college here for one year.

Heidi added that she feels very accustomed to the American way of life. "I don't feel homesick. You give me a very good time. I know I want to go back to Germany because I like my family but you have been great to me."

To Maria Polgar, our exchange student from Yugoslavia, Lynbrook is a well-equipped and organized school. Compared to Yugoslavian schools, American schools are attended for a shorter period of time and subjects here are not studied as deeply.

When Maria was asked to compare American teenagers to teenagers of her homeland, she said: "They are very similar. Youth are the same regardless of the country from which they come."

Maria loves to play the piano and enjoys swimming, water-skiing and reading books. She has enjoyed visiting San Francisco, Monterey, Carmel and several beaches during her visit and plans to visit many more scenic places.

When asked to give her impressions and feelings about Lynbrook and its student body, Maria wrote the following poem.

Maria Polgar

Ode Of Gratitude

You, who received me so warmheartedly
near the burning fireplace,
You, who helped me to know your people and
your land,
You, who made me feel the Spring in Autumn
and in Winter,
With gratitude and love I shake your hand.

There I continued building all I've started,
I've broadened my horizons; established a
new basis,
I've learned to be myself and yet to know
how to share.
Oh, I'll never forget the kind smiles on
your faces.

Thanks be to God, who had me among you.
Thank you, who gave me such a lot.
My heart is a vase in which you've place
A forever-blooming forget-me-not.

Valhalla Staff

What do you get when you take three people with yearbook experience, twenty people with no yearbook experience, a first year advisor and add generous amounts of sensitivity, humor and dedication?

Hopefully, you get a Valhalla that is sensitive, aesthetic and that features a fresh, clean approach.

Realistically, you get confusion, flared tempers, moments of despair, hours of hard work, minutes of laughter, and a slightly less than perfect book. But more than that, everyone is involved in a learning situation that is life itself.

THE EPOCH EPIC

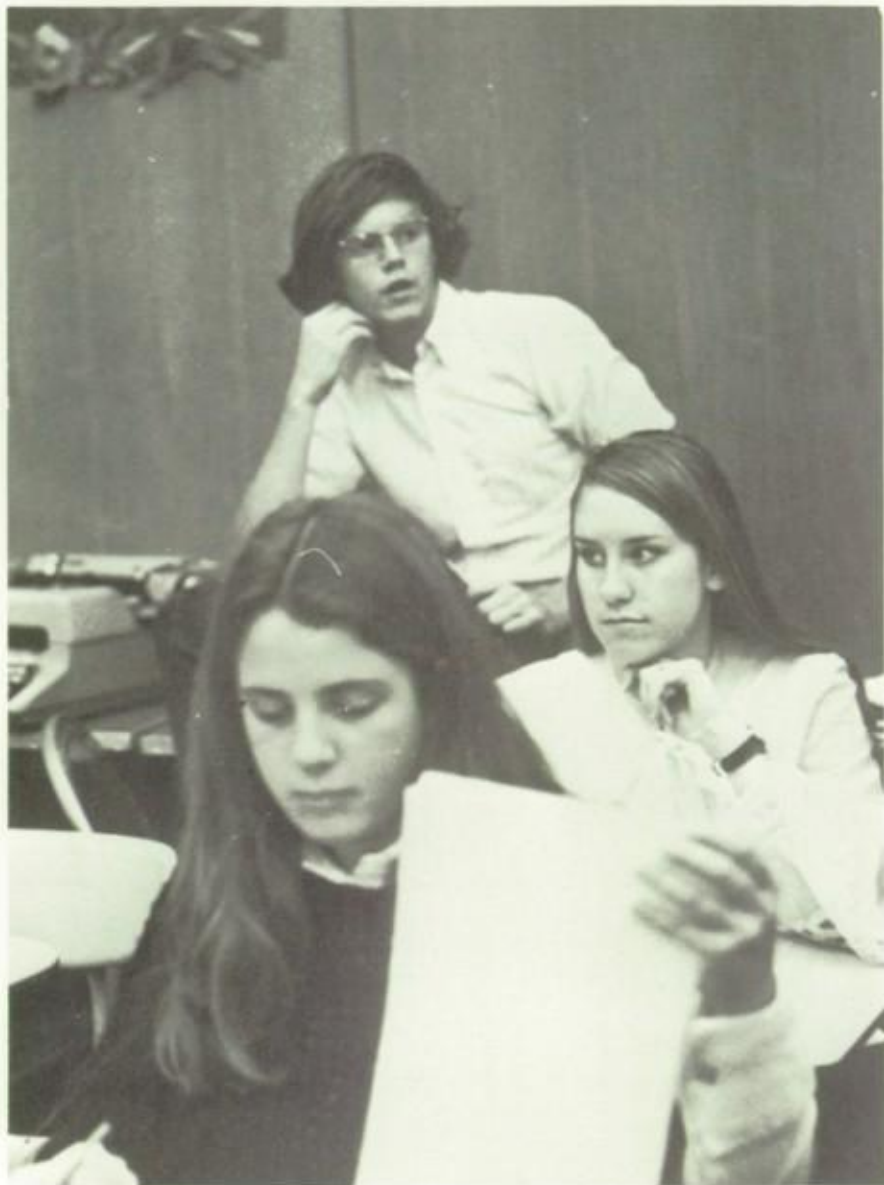

Trying to get Lynbrook students interested in school events is a tough job. Just ask any member of the Epic staff. Every two weeks the Epic staff faces the task of coming up with interesting and relevant stories for the school newspaper. This year's Epic broke many traditions with some of its articles, but still could not overcome much of the apathy toward school events. If you missed reading the editions of the Epic, you missed reading a professional looking, up to date, informative, and provocative newspaper.

The Drill Team marched off with several first place and superior ratings in competition this year because of endless hours spent after school and during fourth period rehearsing shows. The Drill Team must prepare shows for competition, home football games, parades, and the KLIY Game. During the year they sponsored the pancake breakfast to raise money for bus fares and uniforms.

Not much is ever said about the Band despite all their work.

Rallies and other school events would really drag without the music and spirit that the Pep Band provides.

During the year, one of the state's finest Concert Bands, directed by Mr. Distasio, has performed for us. Lynbrook's highly rated Concert Band placed thirty-five members in the County Honor Band this year, more than any other school has placed in the history of the County Honor Band. Our Band has performed in the Christmas Pageant, Pops Concert, and Spring Concert.

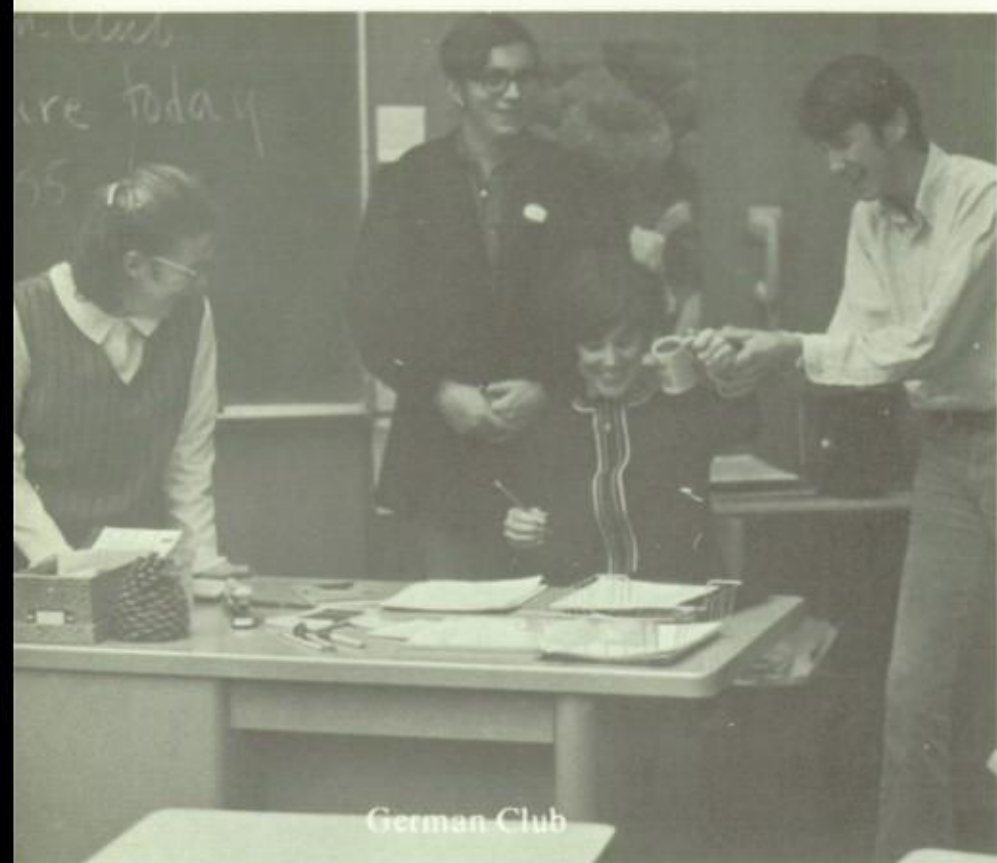

Lynbrook's Concert and Chamber Choirs, directed by Mr. Blood, also spent many hours in and out of school preparing their shows. Besides participating in the annual Christmas Pageant, the Choir sang Christmas carols at the District Office and performed at the Senior Hoote-nanny for the first time. In addition, their many other performances have included the Pops Concert, the District Music Festival, and the Spring Concert.

Pam, for
 Thanks for
 the Ketchup on

Pam,
The celebrated junior
class treasurer, too had
you not running again
next year. Advisory and PE
were a least this here but just
think that I'll have to have you in
my advisory next year (I'm only kidding)
It was nice being friends and I hope to see
you this summer.

'Just want to get my 2¢'s in...

U. S. TWO-CENT PIECE

The U.S. Two-Cent Piece was issued between 1864 and 1873. Composed of 95% Copper and 5% Zinc, the Two-Cent Piece was the first U.S. coin to include the motto "In God We Trust." Its presence on the coin reflects the deep religious sentiment of the American people due to the Civil War crisis. You'll find Two-Cent Pieces as well as many other interesting coins listed in my monthly catalogues. Send for a free copy.

As the end of the 1970-1971 school year draws nearer, I look back upon the year from a different angle than many of you. This year has been full and active for some—and perhaps disappointing for others. Capturing a year in a way that could relate to everyone is a difficult job, the Valhalla Staff has tried to do this the best way possible. In looking back, there are a few things about our book I might change, but I am pleased with it and I hope you are as a student body will be also. The staff has put in many hours of both school and personal time and deserve credit for a job well done. Besides the staff there are many people who have made this book possible. A special note of appreciation goes to Mr. Charles Dexter for his support and cooperation; Nelson Studios for senior portraits and many activity pictures; Businessmen for sponsoring our book and patrons for contributing to the A.S.B. fund. Student photographers Pam Andrus, Gary Biehl and Scott Gordon, who put in much of their own time; my own personal thank-you to Mrs. Gretchen Biele for her patience in allowing me to devote more than just 5th period to Yearbook; S.K. Smith Company for the production of our cover; our American Yearbook Representative Mr. J.R. Myers who was always here to advise us and make deadlines less of a headache; the many parents who shared the hassles of last minute deadlines; And above all to our advisor Mr. Richard Holden for a fantastic job, and for making the burden seem lighter.

Pam,
Well, another
year.... Don't get
out in the sun
too much because
I get jealous of
your tan. Maybe
if you stay in
bed with Danny
all summer you'll
only get red.
See ya this summer.

Pam -
The year has
really passed quickly.
Just think, we're
almost seniors. It
seems as though
we just graduated
from 8th grade. Any-
way, I hope you
enjoy your summer
as I am sure you
will.

PAM,

I really wish I could get
to know you better. Try
and call on me. Take care
and may God bless.

Hiya Pamela,
Really nice seeing
you around this year
& being on class council
together. Too bad thing
didn't work out better
our class. Hope I see you

Oh Pam,
Well, another year shot!!
Oh bad. you couldn't
have been as much
as me. Who been
really fun living
on the same street
as you, what's a street
got to do with fun?
Well!! Anyway, we've
had some great
times together. Good
luck always - you'll
need it. Not really -
but you will with
